#### **What to wear?**

Students at the academy are encourage to be relaxed, so we recommend loose, fitted comfortable pants and tops that are not restricting movement of the body. All loose tops should be tucked into the pants to prevent trailing. Wear flat heeled comfortable shoes.

#### **The night before the course**

Please get a good nights sleep as during our courses you sometimes experience some rebalancing of energies and your general frequency is raised. A salt bath before you sleep or in the morning is very beneficial. Be hydrated.

If you have any medical conditions please inform us, thank you.
